

Victorian Leading Ladder 2014

Round 1

RESULTS

Summary or the round

The First round went really well this year. A total of 78 participants. The overall winner is Ashlee Hendy with 26 Flashes and 29 redpoints. A really close second place is Aaron Lowndes with 25 Flashes and 26 redpoints.

In the Youth categories, was an amazing score of 18 flashes by Oceana McKenzie (Youth C).

The best fighter of the round is Denise Wootten with 22 attempts on the Black at the CBD. Unfortunately she did not get the climb in the end. Still a way off last year's 31 attempts by Adam Ainsley to finally tick a climb. We will see what crusher will excel in

Stats

Went to 1 facility	Went to 2 facilities	Went to 3 facilities	Went to 4 facilities	Went to 5 facilities
44%	22%	10%	5%	18%

Almost 20% of climbers visited all 5 facilities which is really good but on the other hand 44% have stuck to one facility. We hope for the next round that more participants will get the chance to visit several facilities. One of the purposes of the Leading Ladder is to encourage climbers to go to other gyms and experience different styles of route setting, discover new holds and terrain.

Organisers and gyms hope you had lots of fun during those three weeks. We are still unsure of the dates for the 2nd round (probably may). Remember to come to [State Titles on the 1st of March at Bayside Rock](#). Registration at www.plasticaction.com.au.
