

# SPORT CLIMBING AUSTRALIA

## Assistant Coach 2015 - 2017 for the Australian Youth and Adult Climbing team:

Sport Climbing Australia is seeking a qualified candidate for the role of Assistant coach to the Australian youth and adult climbing team. This is a volunteer position involving the training and guidance in lead and boulder for international competition for the 3 year period, 2015 - 2017 calendar years.

**The Assistant coach** will work together with the National and state coaches to ensure that climbers on the Australian team from each state have the best possible run up to the world youth championships and other international events, in the open and youth categories.

---

### Assistant Coach:

The Assistant coach is responsible for: assisting in the coordination of the training program (in youth and open) for all athletes (lead and boulder), preparation and supervision of all athletes during the WYCH, training camps and other international events in open and youth categories (where possible).
