Please email Yvette@sportclimbingvictoria.com.au if you are interested and have the experience required.

You will need to supply your Working With Children Check, do a short education certificate and have a short interview by phone in regards to Child Safety.

5. Sport Climbing Victoria - Child Safety

Sport Climbing Victoria (SCV) is committed to protecting and promoting the safety of all children and young people including indigenous children, those from culturally and linguistically diverse backgrounds and children and adults with disability within our organisation. SCV has a zero tolerance for child abuse, this includes reporting information about child abuse to the relevant authority.

SCV has been working continuously to improve the child safety standards since 2017, and members of the SCV board have completed child safety training. We know that being a leading child safe organisation is about more than having the right policies and procedures in place. It requires conscious action and proactive behaviours to protect children from harm. It means creating a culture of safety that extends from participation and education through to ensuring all members feel safe and secure in reporting inappropriate behaviour.

6. Code of Conduct:

Parents and climbers must adhere to the SCA Code Of Behaviour at all times. Please read carefully [HERE](#)
